HOLMLEIGH PARK

HIGH SCHOOL

Teacher of Physics and/or Biology

Start Date: 01 September 2021

Salary: Main / Upper Pay Scale

Status: Full time and permanent

INTRODUCTION

Thank you for taking an interest in joining us as a Teacher of Science, with a specialism in either Biology or Physics. We are looking to appoint an exceptional teacher to join our team from September 2021; NQTs with strong subject knowledge are also encouraged to apply.

Holmleigh Park is an ambitious academy located in Tuffley, Gloucester. We believe that all children have limitless potential, and are proud to offer a comprehensive education to all students in our local community. We expect all staff, students and parents to embrace our three principles - **Work Hard, Be Kind, Take Responsibility** - so that our students leave school as ambitious, confident and successful young adults with the highest standards of integrity.

Why join us?

- **Impeccable behaviour:** Our centralised behaviour system is incredibly simple, meaning every minute of every lesson is disruption-free.
- **A common-sense approach to workload:** We only expect live-marking in class, and we work collaboratively across the trust to ensure all lessons are resourced centrally.
- **Our commitment to genuine development:** Our CPD is based on Rosenshine's principles of teaching, and all teaching staff (including the Headteacher) receive coaching feedback at least every fortnight.
- **The opportunity to make a difference:** Our school is improving incredibly quickly, and we're proud to offer all local students a standard of education which we fully expect to outpace the local grammar schools within two years.
- **The quality of living:** Our easily accessible location is just 15 minutes from the Cotswold Hills, and is within commuting distance from Cheltenham, Bristol and Cardiff.

We are proud members of the Greenshaw Learning Trust, a 'family' of like-minded schools, which collaborate to provide mutual support, share their good practice and learn from each other, whilst retaining and developing their own distinctive characters. Join us and see why we are one of the fastest improving MATs in the country.

Our website provides a clear picture of our aspirations and our vision; however, please do not hesitate to contact us to seek further information. We very much look forward to receiving applications from candidates whose personal qualities, values and experiences support and reflect ours. We welcome visits or conversations with prospective applicants. To arrange a tour or a confidential phone call, please contact Ms Harrison (l.harrison@hphigh.co.uk).

We are committed to safeguarding and promoting the welfare of children and young people therefore this appointment will be subject to vetting, including an enhanced DBS disclosure.

I look forward to hearing from you soon.
