The Learning Academy Partnership have an opportunity for a Site Supervisor to join our School Trust. We are looking for someone who is passionate about our mission to ensure that every child has the right to live life to the full, no matter what their starting point.

This is an exciting new role to support our expanding Estates and Services Team, based at All Saints' Thurlestone C of E Academy. Thurlestone is a thriving village set in a breath-taking position overlooking gorgeous greenery and the sea, with a reputation for being a supportive and caring community.

You will help ensure that the site premises, grounds and facilities are maintained in a good, safe and clean working order, and that they meet the needs of children, colleagues and visitors. A background in maintenance would be desirable.

The position would suit a person who is both reactive and proactive in providing a safe environment for our children and colleagues. Experience of working with children is not essential, just the passion to help improve the life chances of children within a school environment, and a positive-can do attitude.

This position does not normally include split-shift working, however flexible working opportunities can be discussed at interview.

**We are looking for someone who:**

- Can carry out minor building fabric repairs, adjustments, maintenance, installations and removals
- Can undertake and record weekly checks and any works carried out
- Will ensure all maintenance work is completed on time and to Health & Safety standards
- Will ensure the site is maintained and well presented at all times (daily cleaning, litter picking and replacing consumables)
- Can manage site security, unlocking and locking of all doors, entries and exits - ensuring the site is secure but accessible at all times
- Can liaise with and monitor the work of contractors
- Can manage and supervise cleaning colleagues

**We can offer you:**

- The opportunity to make a profound difference to children's lives
- The chance to work in a values-led family of exceptional schools
- Flexible working hours

- Access to FREE Level 2 qualifications in over 50 courses
- A culture that takes work life balance extremely seriously for all its colleagues
- The potential for future career development
- Access to a 24-hour Employee Assistance Programme
- Trust benefit schemes

All our schools are each at the centre of their local communities and celebrate their individuality and distinctiveness. A core feature in how we work as a School Trust is our collective approach in delivering an exceptional education for all children. We do this through working very closely together in mutual support, and challenge to empower excellence for our children, families, and the communities that we serve.

In short, our ethos is one of working together to **Empower, Excel, Together**.
